The Department Executive Committee, should it deem advisable, shall order a special detail of Commander, Judge Advocate and Treasurer to investigate the membership rolls and financial statement of the delinquent Post for the purpose of determining only the correctness of monies due and owing the Department of Connecticut. However, nothing herein shall constitute as requiring the Department of Connecticut to assume any financial responsibility of any Post.

Section 4. All monies collected to promote and finance the annual Department Convention of the American Legion shall be set aside into a separate fund to be known as the Department Convention Fund. Said fund shall remain in the custody of the Department Treasurer who shall keep accounts and report thereon to the Department Executive Committee annually and at such other periods as may be directed by the Department Convention Committee, the Department Finance Commission or Department Executive Committee. The Department Treasurer shall pay out of such funds, all bills legally incurred in connection with annual Department Conventions when such bills are in order and in accordance with the budget recommended by the Department Convention Committee as approved by the Department Executive Committee. When all bills have been paid at the close of each convention, the unexpended portion of the fund, in excess of \$500.00 shall automatically revert to the general fund of the Department for such disposition as the Department Finance Commission may recommend. If at any time in the future there is no need for a Department Convention fund, such excess as then remains in such fund shall revert to the general fund of the Department. Nothing in these sections is to be interpreted as conducting an annual Department Convention in excess of the amount specifically authorized in the budget as recommended by the Department Convention Committee and as approved by the Department Executive Committee and as specifically authorized herein.
