MEMORANDUM

Date: October 25, 2012

To: Daniel S. Wheeler

From: P. B. Onderdonk, Jr.

Re: Partisan Politics

You requested a review of the limitations on The American Legion becoming involved in partisan political activities. It may not.

This is made crystal clear by 36 US Code §21706 (part of The American Legion Corporate Charter), which states:

"The corporation shall be nonpolitical and may not promote the candidacy of an individual seeking public office."

This is further emphasized by the provisions of Article II, Section 2 of the National Constitution which provides:

"The American Legion shall be absolutely nonpolitical and shall not be used for the dissemination of partisan principles nor for the promotion of the candidacy of any person seeking public office or preferment."

The American Legion takes positions on issues and lobbies for veteran's benefits and a strong America. This is clearly permitted. What is not permitted is the endorsement of any candidate or the donation of funds by The American Legion to a candidate. The American Legion takes positions on issues and its members being citizens need to be informed on the issues. Hence, American Legion programs such as candidate nights are fully authorized as long as all candidates are invited on the same terms and conditions. It would be illegal to invite the one you support with advance
notice, but the one you oppose with no notice at all. When Legionnaires wear their pins and hats to political rallies, the media often try to reach the wrong conclusions. This can be very embarrassing to the Legionnaire. Hence, we normally recommend that Legionnaires do not wear their caps to partisan political rallies. There is no rule against doing this so long as the Legionnaire makes it clear there is no endorsement.

Likewise, we recommend that Legion publications not accept paid political ads. However, if they do, the paid political advertisements must be made on the same terms and conditions for all candidates and should be labeled “Paid Political Advertisement” at both the top and bottom.

As noted above, those who violate the partisan political activities prohibition put the Legion charter of their post at risk as well as its tax exempt status.
The wearing of the cap and usage of The American Legion emblem, facilities and political donations

According to Article II, Section 2, of the Constitution of The American Legion, “The American Legion shall be absolutely nonpolitical and shall not be used for the dissemination of partisan principles nor for the promotion of the candidacy of any person seeking public office or preferment.” The National Charter, approved by Congress, also stipulates The American Legion as an organization is nonpolitical* which has been interpreted by the National Judge Advocate as “nonpartisan” in modern lingo. Therefore, The American Legion as an organization is prohibited from contributing, helping or endorsing a candidate. However, a member, as a private citizen, and not representing the organization, can employ whatever legal and ethical means to advance his or her candidate.

The Legion cap is considered the official Legion uniform (see p. 42). It is not an individual Legion member’s decision on the appropriate usage of the cap and emblem. If attending a political event, The American Legion cap, or any clothing with the emblem visible, should be removed so as not to imply endorsement by The American Legion. The problem is the assumption of endorsement by those who see the emblem or name worn at in improper location, such as a partisan rally.

When using post facilities to host candidates, post should remove emblem and Legion flag to avoid any impression of endorsements. Candidates for all parties must be presented equal opportunity at the same time to use the facilities on the same terms and conditions as other competing candidates.

If financial contributions are offered by candidates for political office, campaigns, political action committees or political parties, The American Legion should politely decline. Accepting these contributions may be perfectly legal, but The American Legion must avoid any perception of supporting any candidate or political party.

The American Legion values its independence and effectiveness on veterans’ issues. This stance is best maintained by neutrality on individual candidates or political parties. The American Legion by legal definition is non-partisan and supports only issues which impact your Four Pillars.

* This means “non-partisan” in today’s society. The American Legion is allowed by Congress to lobby for veterans benefits and a strong United States of America. (NJA, October 25, 2012)

My Fellow Legionaries

As I sit in my office after coming home from the Mid-Winter conference and I think about this past weekend, I can smile, for the first in a long time. The attendance for the conference was outstanding. When Butch, Dennis and I first sat down in September, we were trying to think of ways to conduct training and at the same time give people a chance to learn subject material that is important to know. How to understand and do certain required forms, and the knowledge to move around the tools that are out there to make Post jobs easier. As always the first time that you try to do something like this there are going to be some things that don’t go off as planned and have to be corrected. The afternoon sessions went very well, and when we closed the session there was a lot of positive feedback. I would like to thank the teachers, Mary, Dennis and Tom, Bob M, Jimmy and Bob D and Butch for all their hard work and effort. We have already talked about what we should plan on for next year. Please ask the people that went what they thought.

To the Posts that have not turned in an Officers List, you better think about what happens when the Department has to get in touch with those Posts, and this year every Post will submit a Consolidated Post Report By May 18th or you will be getting a call or a knock on the door. If any Post needs help just call the Department and help will come.

Membership is the next big push. There are a lot of Posts that are going to miss their Quota and seem very complacent. There are People that are willing to join, Just Ask. This is not the 60s, 70s, 80s or 90s it is the 2000’s and people don’t come to you. You have to go to them, it takes work but it can be done. The future is in your hands if The American Legion will be around to do the Great work that we do, or will it be gone because people who supposedly care (Don’t) or they just don’t know how. The tools are there. The help is there.

Edward A DeGumbia
Department Commander
My Fellow Legionnaires:

Our upcoming membership goal of 85% is on Feb 14. The Department currently stands at 80.4%, so we definitely have our work cut out for us. As I’ve mentioned before, now is the time we REALLY have to go to work! As of Feb 1, members who haven’t renewed for 2018 are no longer “Members in good standing” and they are not entitled to participate in post activities. As always, they can regain their good standing status by renewing their 2018 membership. However, we’ll need to contact them personally. If we don’t reach out to these members now we may certainly lose them. We can’t allow that to happen. Our first priority is to determine why they haven’t renewed. Are they doing OK? Did they merely forget? Did we do something that caused them not to renew? Is money an issue? When we know the reason we can address it.

Our goal every year is 100% membership and we haven’t achieved that goal in some years. That just isn’t acceptable. We can, and must, renew our 2017 members. However, in truth, we’ll never get to 100% unless we renew as many members as we can and ATTRACT NEW MEMBERS! Even if only the active members of our posts attract just ONE new member each, we can make it. That shouldn’t be hard but we have to make the effort. We currently have 417 new members to date across the Department. At that rate we’ll never replace the members we lose. Sad, but true!

We will be having District Revitalizations in 3rd District on 16 and 17 Feb at Danbury Post 60 and District 1 on 8-10 Mar at Southington Post 72. We will be transferring members from Post 200 to active posts in the district as always. That helps our Post membership but it doesn’t help our Department membership statistics as these folks are ALREADY counted as Department members. Therefore, our efforts will also be to contact and renew our 2017 members.

For all who attended our Mid-Winter Conference, thank you. Our break-out training sessions were largely well received and successful. We did have some glitches but we always have room to improve on a great idea by Commander Ed.

Please Remember “The Future Is Now.”

Tom Flowers
Senior Vice Commander
The Department of Connecticut
Message on Post Consolidated Reports

The Mid-Winter Conference was just held at the Trumbull Marriott Hotel, January 26-28, 2018. It was well attended, and there were numerous breakout rooms with various types of training. Those whom were able to attend and participate in the Consolidated Post Reporting sessions, I want to personally say "THANK YOU". I tried to get my point across by keeping it simple, and allowing you to hear and see firsthand, that filling out the CPR is actually a very important piece of reporting, yet it's a very simple form to be filled out, and is not this overwhelming document which many believe it to be. The Department cutoff date to have it submitted to Department is June 1st, 2018, but my actual cutoff date to have them filed to Department is Friday, May 18, 2018. Please have your CPR submitted either online, or the hard copy received in Department Headquarters by this date, or I will end up calling your Post Commander. If you need any type of assistance filling out the report, please don't hesitate to call me, and either I or another team member will be glad to assist you. Traditionally, Connecticut has been averaging around the 52% mark for submitting this vital report, and this year, I'm personally taking on the task of seeing our Department work aggressively for 100% reporting. This report lets the nation know what you have accomplished over the year, and gives our National Commander Denise Rohan, the true facts, when she speaks on our behalf, before Congress.

On another note, this is crunch time for us when it comes to membership. Now is the time that we must pick up the phone and/or knock on some doors to make direct contact with the unpaid members in your Post. Do not sit back idle, waiting for them to come to you to pay their dues. By making direct contact, it also allows you to possibly find out why they haven't paid their dues as of yet, or maybe they just need a friendly reminder. The direct contact approach does work. It allows the unpaid member to realize that someone does care, and that they mostly likely will end up paying their dues, because of that. If you need assistance working your membership, or even processing your membership, please feel free to contact me, and the Membership Task Force will give you the support you need. Thanks in advance for all that you do, as we strive to make Connecticut a 100% Department, and to show the nation, that The American Legion Family is proud and doing well in our great state.

100th Anniversary – Centennial Celebration – Post & District updates

Well, winter is just about over. Legion Posts are planning some great events and activities using the Centennial theme. Please look and read below for some ideas to get your post committee going, if not already. Sharing is good!

I am pleased to inform you that 3 posts in the 3rd District, Dept. of CT, are “underway” after their planning. First, in no order, is Wilton Post 86. Adjutant Tom Moore and team have done a great job with their website! (Check it out.) The Post plans to plant a tree within their town limits in honor of the American Legion’s 100th anniversary.

Next is the Monroe Post and Aux. Unit 176. They celebrated their 70th birthday on June 8, 2017. The Post is named for Sippin – Winspur, to honor their service to our country and nation. The evening event was well planned with an excellent dinner at a local restaurant. There were awards and there post history was heard by members in attendance. What a great birthday party and a way to celebrate our 100th Anniversary. (Getting some ideas?) The point of contact (POC) is Commander Vic Yanosi and Jan Larsen. Check out their website also!

The members of Danbury Post 60 are building a brick replacement monument in front of their building. Dedication of the Wall will be one of our Centennial dates March 15-17, 2019 or June 10, 2019. It will consist of stone and bricks, with new flag poles. Layout is a semicircle with large branch service emblems, donated and inscribed paver bricks, which are “now on sale”, to honor a veteran and their service. Donations will be gladly accepted. Best wishes for a great project and honoring our Centennial! Thank you! POC is David Mead, @ Post 60 Danbury. Phone is: 203- 744- 5150.

Post (sample) Report - Post 12 Norwalk - Centennial Committee.

Chair is Jeff Dewitt, our Historian. This committee meets monthly after our regular Post & Unit meetings. Jeff is doing research and compiling local past Post activities and events. Programs to
be highlighted are our Flag of the month program, started by PPC Roy Benedict, after observing & learning of the new program that was initiated at the Bantam Post 44.

An "Honorary Post Centennial Chairman group" has been established from the local town officials. Jeff is looking up early past Post commanders and their contributions to the Post. He is also working with our Historical Society and local paper archives.

All Posts should now have their centennial website and committees underway. There is no charge for and to be on the Legion Centennial website.

Who was your post named for? (a possible starting point)

What was one event, project or accomplishment your Post is proud of?

What is your post doing (or planning) for the Centennial Celebration?

What is your District doing (or planning) for the Centennial Celebration?

Please let us know what you will be doing.

We all said "we have plenty of time" for this. Really?? Guess what. Now it's February, 2018. Our Gala will be in this November. A Gala ticket flyer is now available. Posts will be and should be planning at least one Centennial event 2019, our Legion 100th Anniversary birthday year!

Now is the time for discussion, planning, research, making contacts, etc., to help you plan your events and celebrations. Not all posts will do the same or have to. Every Post has past history of value to share. So, it's time to "dust off" the moth balls, the old histories. Let others know our history.

2019: Be Legion Proud!

Rich Olson, “Post & District” Coordinator

December 27, 2017

Dear Legion Family,

Each year, hundreds of outstanding rising high school seniors across our state attend the week-long American Legion Boys State and American Legion Auxiliary Laurel Girls State programs of Connecticut. During this time, these young men and women learn the importance of leadership, teamwork, and civic engagement throughout their entire lives.

As you are well aware, the week is organized solely by the American Legion and American Legion Auxiliary volunteers and is provided at no cost to the attendees. To cover the cost of this program, the American Legion and American Legion Auxiliary must raise in excess of $77,000 for each program - a feat that is becoming increasingly more difficult each year.

To help with fundraising efforts for this invaluable program, the Connecticut Boys and Girls State Foundation formed in 2016. Through the Foundation’s work, 13 additional students were able to participate in the American Legion Boys State and the ALA Laurel Girls State programs. Next year, the Foundation would like to help the American Legion and the American Legion Auxiliary to send even more students and substantially increase the number of students who can attend each year.

We would like to invite you to our First Annual Golf Tournament, at Lyman Orchards in Middlefield, CT. The tournament will include a light lunch, putting contest, 12:00PM shotgun start, followed by a reception and 6:30PM dinner accompanied by guest speakers, awards, and raffles. The proceeds of this Tournament will directly benefit students throughout Connecticut who wish to attend the American Legion Boys State and American Legion Auxiliary Laurel Girls State Programs.

Please find attached a copy with additional information about how you can sign up and sponsor the event.

We look forward to hearing from you!

Sincerely,

James Heffner

Dancing with our Heroes 2018

The Fred Astaire Franchised Dance Studios of New England have once again stepped up to partner with The Friends of Fisher House CT to raise funds for the West Haven VA Hospital Fisher House. To that end, we are looking for veterans (male or female) who would like to participate in our Dancing With Our Heroes event at The Mystic Marriott Hotel and Spa on the evening of March 10, 2018.

The Fred Astaire Dance Studios for which we are seeking volunteers are located in South Windsor, CT; Southport, CT; West Hartford, CT; Hamden, CT; Trumbull, CT; Norwalk, CT; Greenwich, CT; Canton, CT; Mystic, CT; Old Saybrook, CT; Belmont, MA; Dedham, MA; Franklin, MA; Narragansett, RI; Plymouth, MA; Worcester, MA; and West Springfield, MA.

Benefits of the veterans’ participation include:

- Veterans receive 10 free private lessons with a professional dance instructor. Lessons are 45 minutes in length and scheduled at the convenience of the veteran.

- Veterans receive a pair of free dance shoes compliments of Fred Astaire Dance Studios.

- On March 10th, 2018, veterans compete in a “Dancing with the Stars” type competition judged by professional dancers and celebrities. (Yes, paddles and all!)

- Veterans and their spouse/guest receive free tickets to the March 10th, 2018 banquet and gala.

- There is absolutely no charge to our veterans for this event, only fun for a worthy cause. The Fisher Foundation is the highest rated

Veterans wishing to participate at one of the studios listed can contact me, Ed Megerdichian, directly via email or by phone. Thank you in advance for you participation!

FRED ASTAIRE
FRANCHISED DANCE STUDIOS
Thank you so much for volunteering your time and energy to helping the Friends of Fisher House Connecticut.

We sincerely hope you enjoy the experience of working with the Fred Astaire Dance Studios and wish you the best of luck in the Competition.

The Fred Astaire Dance Studios of New England are very excited to help raise money for the Friends of Fisher House CT once again. This is the third “Dancing with Our Heroes” Competition and Gala Banquet that we have hosted and we are excited to see that the Fisher House in New Haven has been built and will finally open it’s door in early 2018. In the past years the Event has managed to raise over $280,000 to make this happen and with your help we hope to raise much more.

Do not hesitate to reach out to us with any questions you may have.

Sincerely,

Kim Haidinger & Juliet Garcia

What have I gotten myself into?

As one of our dancing Heroes, we want you to have a great time getting ready for the big day, and we are also asking for a few things to make the event as successful as possible. First, we need a short biography and a digital picture, (preferably one in uniform), for our dancing with the Heroes website. If we could receive your information prior to your first lesson that would be great. We encourage you to visit our Website www.dancingwithourheroes.com and share the information with your friends and family, invite them to the event or get them to vote for you!

As one of our Heroes, you have been paired with an instructor at one of the Fred Astaire Dance Studios in New England. The studios donate a private lesson each week for you and your instructor to work on getting ready for the big day. Your Fred Astaire instructors are experts at getting dance newcomers out on the floor and feeling comfortable, so be ready to have a good time.

You will be performing either a Swing or a Foxtrot with your instructor. Don’t worry, your instructor will help you determine which is the best dance for you.

On the day of the event you will be on the dancefloor with several other heroes at the same time. Again, no worries, your instructor is a seasoned pro, and will make sure you will feel comfortable, confident, and look your best.

We encourage you to share the event with your friends and family, as they can vote for you online or at the event. Each vote is $1 and will go directly to the Friends of Fisher House Connecticut. We would like for each Hero to aim for $2500 in votes.

You will receive two tickets to the Dancing with our Heroes Gala Banquet, (sit-down dinner, general dancing, silent auction, and Heroes dance competition). Additional tickets can be purchased through the New England Regional Competition Coordinator Juliet Garcia at jgarcia@fredastaire.com or 203-683-8628.

Voting & Donations

Individuals can go to the website to vote for a Hero or to make a donation to the Fisher House using their credit cards.

If someone would like to make a cash or check donation, the check should be made out to The Friends of Fisher House Connecticut and those funds should be delivered to Fred Astaire Dance Studios of New England— 19 Tuttle Place—Middletown. CT 06457

Make a note if the donation is for a particular hero.

Checks for Gala Banquet tickets should be made out to Maximize Your Impact, LLC.
