Legionnaires,

As of this message, we are hovering at 85% of our goal. Mid-Winter Conference has come and gone. I know that some of you took advantage of the training sessions offered. SAL and Legion Riders also had their meetings.

Both messages from the Dept. Senior Vice-Commander and the Dept. Membership Chair express what I believe and know what works. We must prepare for our future. What we have started, with MyLegion and on-line transmittals will not stop and is only the beginning. Marketing/advertising at every level is just one thing we can and must do. Billboards is noticed on our highways. Newspaper articles are noticed as well. Everybody likes a parade participate any way you can.

We also have a "Media" room at the new Headquarters in Cromwell where we can video a message and create other innovative messages. Having a Dept. Van with a Legion Emblem on it would be great. That definitely would be noticed. I know what everyone is thinking. How much is that going to cost. If we work together, we can raise the money. All I can say is nothing ventured nothing gained. We must invest in our future and we must do it now!

Make a deal! Offer membership for two years for the price of one. If your post cannot afford to make that deal contact your District Officers for help. If that is not possible, contact me, I will make sure THE Deal WILL BE MADE!

Always keep the future in mind let’s work together for tomorrow.

For God and Country,
Dennis P. Beauregard

Comrades,

I bring you good news and bad news concerning the status of Department membership. First, the good news...we are meeting all of the National Monthly Target Dates. Now for the bad news, we are only just meeting the National Monthly Target Dates. As of 1 February, any member who has not renewed their 2020 membership is considered EXPIRED, meaning that they have no voice and no vote at a Post meeting. We all need to be making contact with the unpaid members and attempt to get them to renew as soon as possible. The longer WE wait, the harder it is to get them back. At this time, I was hoping that we would have achieved maximum renewal levels and be shifting our emphasis on recruiting new membership. It does not appear that we have given sufficient effort on reaching those Veterans that are now eligible for membership under the Legion Act, which was signed on 31 July 2019. Membership requires a team effort and it is every member’s opportunity to reach potential members.

On another note, it is time to capitalize on the technology resources that are available to bring the Department in line with the National organization. The American Legion is now online and all Posts should be moving forward with bringing this technology into your Post. It is an opportunity to identify the younger generation members who are considered the “technology generation” and empower them to help guide us through the treacherous waters that are feared by so many. Going forward, I am recommending that a change occur to create ways to reach our entire membership through the use of this technology. This will begin by breaking up the Membership, Leadership and Media Affairs Commission into two separate groups. Membership is more than renewals and recruiting. Strong leadership is required at all levels in order to retain members. To place emphasis on this point, the Commission will be rebranded to address Membership and Leadership. A separate Committee will be established strictly for Media Affairs. The goal of this Committee will be to capitalize on technology and bring the American Legion directly to every member. Pod Casts afford us the ability to address all communication live to our members. A Department YouTube channel can be created to air training sessions, Post/Department functions and can be a platform to bring National concerns right into our living rooms. To accomplish this, I am seeking all members who have a background in this area to come forward and help launch the Department Media Affairs Committee. My email address is below so feel free to contact me directly so we can get started.

For God and Country,

Jeff DeClerck

Comrades,

Wow, we just wrapped up an amazing Mid-Winter Conference, which had so many exciting things happen and excellent courses taught. If you missed out attending this event, and feel that your Post or District may benefit from learning about the topics which were explained in great detail, then please contact Department Headquarters or the Membership, Leadership & Learning Commission, and we will be glad to work with you. Educating our membership helps bring knowledge, confidence, and stability in our growth for the future. These attributes are critical, in order to grow our membership. How do we accomplish this? By getting everyone to understand who The American Legion is, what we do, and what our great organization is all about. By understanding these variables, we showed be able to attract new members, have our current members want to renew in a timely manner, and attract the younger generation of veterans along with their families. We need to step outside the box, and think about what we need to do to make ourselves a much needed commodity in every single community in the state of Connecticut.

As of this writing, we are doing okay to average, with our 2019-2020 membership campaign. We’ve met every target date this membership year, but not with flying colors or anything to brag about. In all honesty, we’ve had plenty of time to make this a banner year for the Department of Connecticut, especially with the passage last summer of The Legion Act. We tried to encourage everyone to perform Buddy Checks twice a year, but very few took advantage of doing such. Those whom did, got some decent results. We also reached out to everyone, asking if any Post or District were interested in assistance with a revitalization, and to date, we’ve only been asked to perform two of these. When you are contacting your members in regards to paying their dues now, try to make some sort of a deal with them to hopefully get them for this year and next year. Also, consider looking at the unpaid Post 200 roster (request assistance from your District or the Commission), to get members for your Post. It’s amazing that more Post don’t take advantage of the 200 roster. There’s currently 249 unpaid members whom last paid their dues in 2019, and another 140 members whom last paid their dues in 2018. These are all strong potential members for your Post, which you can also get the credit for immediately this year, if you get them to transfer and pay their dues.

In closing, I want to thank each and every one of you for all that you do. If our Commission can be of any assistance, please feel free to contact us. We are here to help assist and support you in any way we possibly can.

Mid-Winter Conference

I want to thank everyone who came out to this year’s conference, the subjects were very important and several Posts had their eyes opened. This year we wanted to talk about the IRS and the importance of filing your taxes. We also talked about why Posts should be incorporated and the new requirement for all Posts to register with the Department of Consumer Protection if you want to continue fundraising or soliciting donations in Connecticut. Many Posts found out that they haven’t filed taxes for many years and most found out that their Post EIN numbers have been revoked, which renders a post unable to function as a Legion Post. I have a complete list of which Posts have had their EIN number revoked and are no longer incorporated, if you would like the power point presentation with all of the information you can contact our office and I will send it to you. You can also find it on our website in the training section.

Background checks are required for all coaches & managers (anyone directly involved with players). The website for this is: https://opportunities.avery.com/ALConnecticut Drivers License, Social Security number & credit card (for $8.00 fee) are needed. Starting January 1 through February 15, online Team Registration can start, but will not be approved for insurance and completion until coaches & managers listed have passed the background check. Go to: http://www.baseball.legion.org or simply go via the Department BB site: http://www.ctlegionbball.com

All Program Personnel from 2019 who were listed on your Form 1 Roster and completed the 2019 Background Check process should have received on or about 12/8/19 an email from message@veritysecure.com which contains that person’s personal link to take the Child Safety Video. Please search for that email and complete the quiz at the end of the video.

All NEW and RETURNING Program Personnel should go directly to the CT American Legion Home Page, left column second tab is the Background Check, and Code of Ethics information to follow the process for 2020. The NEW members of your program will receive their own Child Safety Link after they complete their background check, which then notifies Verity Secure to send them the link.

Amendment XII

The Electors shall meet in their respective states, and vote by ballot for President and Vice-President, one of whom, at least, shall not be an inhabitant of the same state with themselves; they shall name in their ballots the person voted for as President, and in distinct ballots the person voted for as Vice-President, and they shall make distinct lists of all persons voted for as President, and of all persons voted for as Vice-President, and of the number of votes for each, which lists they shall sign and certify, and transmit sealed to the seat of the government of the United States, directed to the President of the Senate; — The President of the Senate shall, in the presence of the Senate and House of Representatives, open all the certificates and the votes shall then be counted; — The person having the greatest number of votes for President, shall be the President, if such number be a majority of the whole number of Electors appointed; and if no person have such majority, then from the persons having the highest numbers not
exceeding three on the list of those voted for as President, the House of Representatives shall choose immediately, by ballot, the President. But in choosing the President, the votes shall be taken by states, the representation from each state having one vote; a quorum for this purpose shall consist of a member or members from two-thirds of the states, and a majority of all the states shall be necessary to a choice. And if the House of Representatives shall not choose a President whenever the right of choice shall devolve upon them, before the fourth day of March next following, then the Vice-President shall act as President, as in the case of the death or other constitutional disability of the President. — The person having the greatest number of votes as Vice-President, shall be the Vice-President, if such number be a majority of the whole number of Electors appointed, and if no person have a majority, then from the two highest numbers on the list, the Senate shall choose the Vice-President; a quorum for the purpose shall consist of two-thirds of the whole number of Senators, and a majority of the whole number shall be necessary to a choice. But no person constitutionally ineligible to the office of President shall be eligible to that of Vice-President of the United States.

Amendment XX

The terms of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives at noon on the 3d day of January, of the years in which such terms would have ended if this article had not been ratified; and the terms of their successors shall then begin.
Section 2. The Congress shall assemble at least once in every year, and such meeting shall begin at noon on the 3d day of January, unless they shall by law appoint a different day.
Section 3. If, at the time fixed for the beginning of the term of the President, the President elect shall have died, the Vice President elect shall become President. If a President shall not have been chosen before the time fixed for the beginning of his term, or if the President elect shall have failed to qualify, then the Vice President elect shall act as President until a President shall have qualified; and the Congress may by law provide for the case wherein neither a President elect nor a Vice President elect shall have qualified, declaring who shall then act as President, or the manner in which one who is to act shall be selected, and such person shall act accordingly until a President or Vice President shall have qualified.
Section 4. The Congress may by law provide for the case of the death of any of the persons from whom the House of Representatives may choose a President whenever the right of choice shall have devolved upon them, and for the case of the death of any of the persons from whom the Senate may choose a Vice President whenever the right of choice shall have devolved upon them.
Section 5. Sections 1 and 2 shall take effect on the 15th day of October following the ratification of this article.
Section 6. This article shall be inoperative unless it shall have been ratified as an amendment to the Constitution by the legislatures of three-fourths of the several States within seven years from the date of its submission.

Amendment XXIV
