Comrades;

As you know on July 9, 2016 at the Departments American Legion Convention in Trumbull CT I was elected to the High Office of Commander of The Great State of Connecticut. THANK YOU!

As your Commander, I plan to give you the best Representation possible. I plan to be highly visible and approachable. I am available at all times and will return your communications. I am off and running with the Ribbon Cutting ceremony at the Columbarium at the Veterans Cemetery in Middletown on July 14.

The same day on a sadder note I attended the Wake of Past Department Commander Ed Carney in Guilford. RIP ED.

I know this is summer break for most Posts and Districts, but business goes on. Many Districts are preparing for their District Installation. If you want the Department involved, check with the Adjutant to make sure that date is available. This year I am bringing the District Installation back to the Districts, trying to get our members back active. I want you to feel ‘This is your American Legion’. Now prove me right,”Get Involved”.

I want 2016-2017 to be a ‘Welcome Back To The American Legion Year!’ I want to see more “Brand Awareness” and Legion family. We need this to get out as we promote our Centennial events. We need all members, post District and American Legion Family involved.

There are many events going on Post 16 Info Day, Post 45 BBQ Chicken day, The VJ Parade in Moosup, just to name a few.

Committees are meeting; make sure you attend your meetings. If you would like to be on a committee and there is a spot, contact me.

Those of you in recess enjoy your summer and come back Refreshed!

Past Commander Paul, Have a Great National Convention. To the Delegates and Alternates Be Safe and Enjoy.

Connecticut on the Move!

Yours in comradeship

Comrades!

First let me take the time to thank everyone for all the support for electing me to the Office of Department Sr. Vice for the year 2016-2017. I will take this position like my past ones; that is to work hard and to do the best I can to take this Department forward as we close in on our 100th Birthday.

This is going to be a team effort. It will be imperative that all District Commanders and Sr. Vice Commanders be part of this process, by helping all the Posts in their Districts with Membership and any other issues that arise.

The Membership Task Force which all District Commanders and Sr. Vice are on automatically, along with many other volunteers will be making themselves available for any assistance needed. Working with the Leadership and Education Committee to teach and mentor all the Posts we can on Membership and Legion Programs which struggle when our Post Membership declines.

At the end of the month it will be the time for us to go out to National and sit down with the incoming National Commander. We have to explain how we are doing with our five-year plan and how we are going to achieve our goals by the time of the American Legions 100th birthday and to receive our new membership goals.

Remember that the start of the New Membership year is already passed, so let’s hit the road running and hit our target dates early.

Connecticut can move forward only by the measured success that the Post’s have. WE CAN DO 102% BUT IT’s UP TO YOU!!!

Post Department Convention Comments

I would like to thank everyone who attended this year’s convention for making it a huge success. This was my first year putting a convention together and with some help from some key people we were able to put on a great program this year and provided a lot of valuable information, we had 14 vendors this year who spoke and gave presentations on a variety of subjects and we had several outstanding speakers to include; Commissioner Sean Connolly from the Department of Veteran’s Affairs in Rocky Hill and Denise Rohan candidate for National Commander as our keynote speaker.

Even though our attendance was low this year, our program was very successful and I encourage you to talk to the individuals who did attend the convention and ask their opinion on how the convention went. Next year’s Department Convention promises to be another great success, but without your participation it makes it very difficult for us to convince vendors to come and speak when they look out into the audience and see only a fraction of the people we should have in attendance. I urge every post to register and send your delegates to next year’s convention and show our invited guests who we are and why we continue to volunteer and be proud members of this great organization.

Post Membership Credit/Debit Notifications

To all posts, we will be sending out post credit & debit notifications during the first week of August. Please take the time to look them over as we have several posts with a large credit and several posts with a large debt. To all the posts with a credit please use this during your next transmittals until it is used up we are not a bank and do not have the time to consistently monitor your money.

To all posts with a debt, from here on out we will not process your membership if you do not send a check with your transmittal and we will also not process your membership if you have an outstanding balance of more than $50.00. We are not a bank and cannot continue to carry a negative balance as we rely on membership dues as the main source of income for the Department to pay our bills and if you’re not submitting the correct amount that means we are operating at a deficit which makes it very difficult to pay our bills. PLEASE HELP US HELP YOU AND SEND IN THE CORRECT AMOUNT WITH YOUR TRANSMITTALS.

PLEASE CALL OUR OFFICE IF YOU HAVE ANY QUESTIONS.

Membership Pink Sheet

Membership Pink Sheet: We are publishing a pink sheet with current 2017 membership, please disregard the goals as they are last years. We will be at the National Membership Workshop July 28-30 and once we return all post membership goals will be evaluated and adjusted accordingly.

Please copy and share all Bulletin information as widely as possible!
Post Officers Lists & Committee Forms And New National CDR/ADJ Form

These are extremely important for HQ & Department Leadership so that we know who to contact at each post. From the new National Form (30-183-2015, 2-part NCR), National HQ captures the data for each Post Commander & Adjutant. We also need to know who the authorized officers are for approval of blank ammo acquisition and access to MyLegion.org.

Political Campaign Season

Once again it is elections campaign season. We want to remind you that The American Legion does NOT endorse political candidates or parties, only issues consistent with our policies as determined by resolutions adopted at our National Conventions and National Executive Committee meetings.

As individuals we are free to support the candidates of our choice, HOWEVER, we should NOT wear a Legion Cap or other items or articles of clothing that would imply that the Legion supports or takes any position with regard to a candidate. There are many ways to show our support as a Veteran, including service specific ball caps and shirts.

Again, The American Legion is active on issues that affect veterans, the military and issues that affect Legion programs or positions. We do not endorse candidates.

Whereas the American Legion Department of Connecticut Constitution & Bylaws were written long before any currently active member can remember and;

Whereas there have been piecemeal changes too numerous to count over the lifetime of the existing document, and;

Whereas the structure and needs of The American Legion have changed over time, and;
