Legionnaires;

Warm weather is here it, this is a good time to go out and solicit members into your Posts. Knock on doors and ring the door bell is the way you are going to get some members that have not paid.

As I ask all at the Posts to go out and help the Department with membership I am also tasking every Post for one more very important thing. We really need every Post in the Department to fill out a Post Consolidated Report to insure that when we go to Washington next February and sit in the hearing with our National Commander, we want to be able to give the Committee correct and current information on how much we actually do to accomplish our core adjectives in the Legion. These are not hard forms to fill out, fill one out even if you feel your Post does not do a lot, every hour, every dollar, every time you do anything in the community, and put it all down. It all counts for something, if you have a question or need help, please reach out to the Department by May 15th.

Of course as always the month of May is the Month that we set aside time for all that have sacrificed their all and to those that have gone before us. Memorial Day will be here before we know it. Wear your Uniforms and The American Legion Pride at grave side services as we remember, or at parades and other activities.

As the start of the 100th year Anniversary soon approaches the Centennial Committee has been Meeting and the Tickets for the Gala are on sale. The question that arose lately; is can we purchase a table or two in the Posts Name without filling who is going to be there at those tables. Yes, is the answer. If your Post wants to insure that you have a table, buy the table then collect from your Members.

This is also the time that we look for new leadership, in the Posts and the Districts. The future of the American Legion and its Legacy is in the hands of those Leaders. Pick the right people. This is not a popularity contest, it is whom can do the best job to move our organization forward.

Edward A DeGumbia
The Department of Connecticut
American Legion Commander
My Fellow Legionnaires:

Last month Commander Ed referred to our Department membership standings as “Embarrassing.” I referred to them as “Unacceptable.” So far, nothing has changed. We could use different language but proper decorum prevents us from using other descriptions. We don’t in any way wish to neglect or fail to recognize the fine work many posts have done with membership. Unfortunately, that is the minority of our posts. Our next target date for 100% membership is May 9. Department reports renewals and new members are merely trickling in. As of Apr27 we stood at 87.28% with a total of 550 new members for the year. We can, and must, do better. It’s never too late!

On a related note, if you visit our department website, ctlegion.org, as I do on a daily basis, you’ll always find new and timely information. I have been reading the Monthly Training Newsletter which is on our home page. This month you’ll find an article written by Past Department of Ct. Commander and National Americanism Chairman Richard Anderson. It’s entitled “Keep a Sharp Axe.” You’ll also find an article entitled “Increase Your Membership” by Department of Ohio District 10 Commander Holly Lewis. They’re very informative articles!

We always say how difficult it is to attract younger veterans to the American Legion. Well, it’s not that difficult if we reach out to these veterans and help them understand who we are and what we do. And, we have to be able to answer the question “What’s in it For Me.” To that end, Mr. Steve Kennedy, Leader of the Iraq and Afghanistan Veterans of Ct. will be addressing us at our Department Convention on Jul 15. Steve is not only a dedicated and involved younger veteran; he’s currently studying for his Doctorate at New York University. Attend!

Please Remember “The Future is Now.”

Tom Flowers
Senior Vice Commander, Dept. of Ct.
Post Tax Reporting

**Last Reminder**, assuming that your tax year is the calendar year (01/01/2017 – 12/31/2017), and your post's gross receipts were $50,000 or less, each post has until May 15th to go online and file Form 990-N. As long as your Post EIN is registered with Department & National HQ (and most are) and you haven't missed more than three years. This is a very simple process (unless you are filing one of the longer forms), that **MUST be completed in order to maintain your Post's status as a Federal 501C (19) non-profit veterans organization**.

The Department Americanism Award

We have mailed all posts the nomination form for The Department Americanism Award please take the time to read it and if you have someone who you think is deserving of this prestigious award take the time and fill it out and send it to Department Headquarters for consideration by the Awards Committee. The deadline for submissions is **May 31, 2018**.

Department Awards

The deadline for posts to submit their submissions for department awards is fast approaching and as of this bulletin, we have received very few submissions. The deadline is **May 20, 2018, which will be**, strictly adhered to as the award committee will meet the first week of June to review all submissions to allow enough time for the Adjutants office to order all plaques so they arrive in time for Convention, so please get your submissions in before the deadline.

The American Legion Boys State Leadership Program

The 2018 program will take place Saturday, June 23 through Thursday, June 28 at Eastern Connecticut State University in Willimantic. **See the application instructions included in this Bulletin.** Give you're selected delegates a copy of the instructions and ask them to complete the application on their computers, printing out the completed application for original signatures to be added. **I challenge every Post to sponsor at least one more delegate than last year to 2018 Boys State!**

Department Convention

The official convention mailings will be sent out May 10th. group code: ACNACNA in the "Special Rates & Awards". Please note that the last day to make a reservation under the block at the discounted group rate is 27 June 2018, the cut-off date.

National Convention

A room reservation form is in this bulletin and more are available from Department HQ if you want to attend the National Convention in Minneapolis, MN. We will be staying at the Double Tree Inn. All Legion guests must be registered through the Department Adjutant. Deadline is June 30th. I have ordered 10 tickets for the National Commander’s Banquet and will sell them on a first come first served basis, if we need to get more I will place an additional order, tickets are $47.00.

LEGION BARS & STATE LIQUOR LAWS

This has always been a sticky subject for those Posts who have bars and unfortunately as more time and people pass on, it is becoming more and more of an issue within our organization. We have seen an inordinate amount of issues and complaints about how Legion bars are being operated in the past several months. Posts are forgetting that bars are a business and need to be treated as such, this being the case who you put in charge and appoint as the Permittee are important decisions that are not to be taken lightly as these individuals are the responsible party when things go wrong. Posts need to put people in charge that know how to run a business or have a background in business or the restaurant field, these seem to be the best qualified people to make things run properly. If you have a Committee that oversees the bar and its operation, please make sure these individuals do not abuse their power and make sure you have a set of bar rules and an addendum to your Post by-laws concerning the bar and its policies. We have seen instances of poor record keeping, the commingling of Post monies with bar monies i.e. one checking account. It is highly suggested that you keep your bar finances separate from Post activities. I am attaching the items that seem to be the biggest issues every time there seems to be an issue and these are directly from Chapter 545 Liquor Control Act.

Sec. 30-23a. Guest book requirements under club permits. No person shall be construed to be a guest of a member of a club within the intent of section 30-23 or of a golf country club within the intent of section 30-24a until such person’s name and address has been entered in the guest book maintained for such purposes on the club or golf country club premises, together with the signature of the member and the date of introduction, provided neither the permittee nor any person employed to dispense alcoholic beverages on such premises, during his working hours on such premises, shall enter such person’s name in such book. The requirement of this section (1) shall not apply to a member of any nationally chartered veterans’ service organization when such member enters a club run by such organization that is not such member’s home club, but is affiliated with the same organization, provided such member shall show a membership, travel card or similar identification as a member of such organization upon entry to such club, and (2) may be waived by the Department of Consumer Protection on special occasions upon written application.

Each Post must have and use a guest book for signing in non-members; this is not an option and must be properly maintained, easily understandable as to who signed the person in with date and time. Each Post must determine how many individuals each member will be allowed to sign in at one time and determine what happens with those guests when the member who signed them in leaves the premises. Remember, even though the law does not state it in writing whoever signs those guests into the bar is ultimately responsible for them regardless if the member leaves. ONLY (Legion) members can sign in guests, not anyone else.

Please copy and share all Bulletin information as widely as possible!
Sec. 30-24b. Auxiliary club members. Auxiliary members who are spouses of members or surviving spouses of former deceased members of any club which holds a permit under the provisions of this chapter may be allowed to participate in all the privileges of such club, by vote of such club members and shall not be considered guests for purposes of the general statutes or regulations of the Department of Consumer Protection.

This is a sore subject with every bar, but this must be adhered to. When you read this it is clear who is considered an Auxiliary member, it is either the spouse of a current member or the spouse of a deceased member ONLY. We are currently working on getting this language changed, but in the meantime, you need to be aware that other eligible Auxiliary members must be signed in. The SAL are not auxiliary members and must always be signed in.

Sec. 30-38a. Transfer of liquor between retail permit premises under common ownership. In all cases where two or more retail liquor permit premises are in common or cooperative ownership, or where a majority of the capital stock having voting privileges of corporations owning together two or more retail liquor permit premises is held by the same person or persons, the permittees thereof may transfer any alcoholic liquor from one such retail premise to another such retail premise, for the purpose of inventory equalization or other business convenience, except when such permittee is a delinquent retailer as said term is used in subsection (b) of section 30-48.

This should be very simple to understand, but it does happen on occasion. You cannot borrow or purchase alcohol from another establishment for resale at your Post, unless you own that establishment.

Sec. 30-76. Purchase for resale. No person holding a permit for the retail sale of alcoholic liquor shall purchase for resale alcoholic liquor except from a person holding a permit under the provisions of sections 30-16 and 30-17, provided any permittee going out of business may, upon application to and approval by the Department of Consumer Protection, sell all or part of his stock in trade to any permittee authorized by law to retail the kind of liquors so sold.

This happens more than you think, if you happen to run out of alcohol you cannot run down to the local liquor store and purchase some alcohol to sell at your bar. You can ONLY purchase alcohol from an authorized wholesaler.

Due to the increased complaints about our Legion bars, the Department will be putting together a fact-finding committee to research how many posts within the Department are having issues, and what we can do to help Posts correct them. This will not be a popular decision, but it is one that has to be made as the Department has a duty and responsibility to not only protect our Posts, but also protect the Legion name.

Please copy and share all Bulletin information as widely as possible!

“A LITTLE BIT OF... BACKGROUND HISTORY: HOW THE BARON SMITH GOLEC POST 156 BEGAN

This history was compiled from the recollections of members and excerpts from the minutes of post meetings.

On a December evening in 1945 at a local tavern, a group of newly returned WWII veterans were discussing the advantages of the town of East Haddam having an organization of veterans, to represent and assist them in any problems that may have in adjusting to civilian life. A few nights later, again at a local tavern, the organization started to form. Louis Shenkman had written to representative of The American Legion. This affiliation was made since ‘The Legion’ took all veterans whether or not they served over seas. It was then decided, after consulting with the District Adjutant Mr. Nedick of Chester Post 97, and with the World War I veterans of this town, who had joined the Chester Post, that East Haddam was now ready for a post... A meeting of all veterans was then called for January 18, 1946 at the Moodus Fire House. It was here that the post was actually formed. A charter application was signed and temporary officers were elected. They were Joseph Kabara, Commander; Joseph Bury, Sr. Vice Commander; John
Shanaghan, ...Finance Office; Louis Shenkman, Adjutant. The guests from the Chester Post that were present and assisted us were East Haddam veteran Louis Blaschik, past State Commander; Allen Roberts, Joseph Pour, Calvin Cook and Stanley Blaschik, (Chester Post 97 Sr. Vice Commander); Frederick E. Carter- 7th District Commander and the District Adjutant Mr. Nedick. These men helped us get off to a good start. There were about 50 local veterans present. Rudolph Hoffman was elected Chaplain and Frank Platek as Sgt-At-Arms. A committee was formed to give the post an official name. Harry Polstein was named chairman, with Andrew Shea, Felix Blaschik and Walter Bielow as committee members. They met many times and had a difficult time arriving at a suitable name. They considered the names of six men from this town that gave the supreme sacrifice, they were Melvin Baron (Anzio) June 1944; Wavell Smith (Germany) October 1944; Peter Golec (France) December 1944; Lou Sopher (Bulge) 1945; Edward McMullen (Bulge) February 1945; and James Douglas (England) October 1945. The committee finally decided on the name of Baron-Smith-Golec, since these were the first three to fall in battle for their country and they represented three faiths, Jewish, Protestant and Catholic. At the February 19th meeting, committees were established to raise funds, secure a proper meeting place, and form a Ladies Auxiliary. Meeting at the Moodus Fire House, on February 26th, the name of the post was presented to the membership and accepted. Felix Blaschik was named the first Chairman for the Memorial Day activities. His committee members were: Josephy Bury, George Comer, Frank Platek and Harry Polstein. At the April 9th meeting after open formalities, Samuel Schliefer made a motion, that was voted and passed, that the post accept a piece of land on Neptune Ave in Moodus, offered to the post by Mr. William Bemer, Sr., to be used as the post for a memorial field, also a place where the post could erect a building.”

*Louis J. Blaschik, Dept Picture has him at W. Hartford Post 96, not Chester 97 or E. Haddam 156.*

*Carol Siter, unit 156, provided the material on Post 156. Corrections made by F. Brinley*

**MOODUS POST 93** Temporary Charter: January 11, 1921 Moodus is a section of East Haddam and East Haddam Post 156 is located on Neptune Ave, Moodus.
Names on Charter Request: Walter Lewis, Eugene Thomas, Daniel Lord, Stephen Cook, Joseph Bower, Stanley Blaschik, Eli Rogers, Robert Alexander, James Cook, Amiel Merchick, Fred Wolf, Samuel Axelrod, John Welshock, John Shea, Frank Shea & (signed by) Harold Scranton. Accepted by the Department Adjutant Thomas J. Bannigan on Jan. 15, 1921 National Adjutant Lemeul Bolles on Jan. 17, 1921 They folded about 1924. #93 was reissued to the Italian Legion in New Haven. They had officers but didn’t last.
“Help National World War I Commission get the word out

By Laura Edwards, American Legion Staff  APR 02, 2018

The U.S. World War One Centennial Commission has released a letter penned by executive director Daniel Dayton to American Legion members, asking for grassroots help in commemorating the 100th anniversary of the Great War and its aftereffects. The text, and resource/contact information, is below.

Dear Legionnaires and fellow patriots,

One hundred years ago, German Gen. Erich Ludendorff was planning a massive spring offensive and knockout blow on the Western Front, leveraging troops from the Eastern Front upon the exit of Russia from the war. The American doughboy units already in France were training intensely, preparing for combat on the front. Soon the American Expeditionary Forces would number 2 million. President Woodrow Wilson addressed Congress on Jan. 8 in a now famous speech: “Fourteen Points—a statement of principles intended to lay the foundation of lasting peace after the end of the Great War.” The war that ushered in the American Century.

Today, 100 years later in this centennial year, the U.S. World War One Centennial Commission continues its mandate to honor, educate and commemorate, working diligently to build a national memorial in Washington, D.C. We earnestly seek the help of American Legion members. Your work and advocacy in your local communities for veterans, war legacies and families makes a difference every day. We need your skill and talent in “spreading the word” in your locality. Spread the word about the historical significance of the war as it impacted our country, about educating your fellow citizens and the young about “the War That Changed the World,” and, finally, to raise money from individuals and institutions to build our national memorial.

Here is how the Legion can help:

– Take advantage of our vast store of education materials, view progress on the memorial, and use any meeting opportunity in your community to discuss the war and kindle interest in all matters related to the “War That Changed the World.”
Donate as an individual or consider donating in the name of your post or in the name of the veteran your post was named after. For a post donation of $2,500 or more, we will inscribe a special WW1CC certificate to show our appreciation.

Purchase a commemorative U.S. Mint World War I coin ($10 from the sale of each coin funds the memorial).

Make sure your ancestors or family members who served are listed on the World War I Roll of Honor and donate in their names toward building the World War I national memorial with a “digital” remembrance wreath. The Roll of Honor features individual profiles for many of the more than 4 million American servicemembers who responded to the call of “Over There” in support of the war-weary Allies and helped achieve victory. All donations go directly toward funding the memorial.

Please visit our special web page at www.ww1cc.org/veterans to find a wealth of education, commemoration, and honor resources, plus specific information on how the Legion can help.

How may we be of service to American Legion posts? Please contact my Director of Veterans Service and Military Service Organizations, David Hamon (david.hamon@worldwar1centennial.org), if information or assistance is needed for your organization, for your members or to support a local campaign.

They fought. They sacrificed. Some died, all were forgotten. Together, we right a wrong. Make 2018 the year we reaffirm Americans never forget any veteran.

Let's build this memorial. Let's honor the World War I veterans.

With all best wishes,

Daniel S. Dayton

Executive Director, U.S. World War One Centennial Commission

Come and join the discussion and learn what you can do
to prevent yet another life lost.
