Legionnaires,

Last year, at this time, I reported on our Fall meetings at National HQ. I spoke about meeting and listening to guest speakers. The whole point was about communication. The only thing different this year is not going to National HQ, but, we still kept the lines of communication open with phone calls and on-line meetings and emails. At our last DEC meeting and the October Bulletin the message was about communication. We all are in control of that! Nothing can take that away from us.

I am encouraged hearing about Oratorical contest and some talk about a Christmas gathering. There are many posts that are doing what they have always done with some restrictions. The point is they are standing strong and being creative in implementing programs and keeping the lines of communication open. Reach out to a post closest to you and find out what they are doing, you can share ideas and help each other.

It is worth repeating from my October message, "Even with the restrictions over the past few months we must remain in contact to ask and answer questions. Phone calls; personal visits; emails even letters all are necessary to eliminate any communication barriers (get the facts straight). There are posts that still are not aware they can meet or open their lounge. That is not acceptable!"

We are in control of our future. Let's work together and make it happen.

Remember, communication and personal contact works!

For God and Country,
Dennis P. Beauregard

Comrades,

This is a great time of year. As we enter this holiday season, it is time to celebrate and share with family and friends. We set back the clocks and finish raking up leaves and start planning for Thanksgiving. This is also an excellent time to think of our service and all those who have served this great country as we recognize Veterans Day on November 11th. This affords us a great opportunity to make contact with our membership and conduct Buddy Checks to see how they are doing, how they are dealing with the continued restrictions associated with Covid-19 and to remind them to renew their membership. The Buddy Checks are also a great opportunity to make contact with other Veterans in your area, wish them a Happy Veterans Day and share with them the great things available to them with membership in The American Legion. Remember, their membership may also support the Sons of the American Legion and Auxiliary. This affords members an opportunity for their entire family to serve and support this great organization.

There are Posts throughout the Department that are making deals with members and potential members by offering them their first year of membership or renewal to be paid by the Post. It is understood that many Posts are experiencing financial difficulties due to the shutdown however, if there are any members who are working on their holiday “wish list”, maybe consider gifting a membership for a potential member or renew a member’s dues who may be experiencing personal difficulties, especially at this time of year.

A reminder that every member within the Department is a Membership Ambassador and can contribute by sharing the benefits of membership with a potential member, keeping in mind the expanded membership opportunities that have been created with the passing of the Legion Act. Remind Veterans who still think that they are not eligible due to their period service that membership is now available to every Veteran who has served honorably since December 7, 1941.

I also urge everyone to exercise their individual right to vote on November 3rd.

I wish you all a happy and healthy holiday season and Happy Veterans Day!!!

For God and Country,

Jeff DeClerck
Senior Vice Commander
Department of Connecticut

Fellow Sons:

I would like to thank the Squadrons that submitted membership to Department this past month, with your help we have reached our 25% Membership Target. I would like to ask all Squadrons to make every effort to increase your membership and continue to grow our great program. November and December are going to be extremely busy months as our Membership Target is 40 and 50 percent, respectively.

November 15, 2020 we will be having our Detachment Executive Committee Meeting at Post 75 in Middletown at 12:00 Noon, I am asking all squadrons to make every effort and have at least one-member present for this meeting. One of our goals is to come up with a fundraising program that will help us raise money for my Commanders project this year Children and Youth, we will discuss this at the meeting.

While I am happy, we made our 25% goal, I am concerned that we currently have 26 squadrons that have not transmitted any members to Department. I know Squadrons are collecting dues and it is our obligation to transmit whenever we receive them, this will prevent unnecessary renewal notices being sent out to members who have already paid.

The Executive Committee recently sent 16 squadron charters to Department Headquarters that have been inactive for several years or have no members for cancellation. The American Legion Department Executive Committee voted to process and forward them to National for cancellation.

The Son's were recently asked to help the Auxiliary with moving their office to their new offices from building 1 to building 50 in Rocky Hill. Legion members Bruce Barton, Joe Jackson, and Rich Anderson along with fellow Sons Paul Minor, John Wright, and Auxiliary member Jane Wright along with many others participated with the move. Together, we were able to get the project done. Thank you all for your help.

Detachment Commander
Comrades,

Another month has literally just came to an end, and we continue to live with a major national pandemic. We’ve been dealing with this crisis since March of this year, and have adapted our lifestyles and the way we handle things, in order to remain healthy and safe. But, this has not changed our purpose for being members of The American Legion family, nor has it changed our mission. We must continue to stand strong and be proud of the fact we are all members of The American Legion and we’re all committed to mentoring youth and sponsoring wholesome community programs, advocating patriotism and honor, promoting a strong national security and continued devotion to service members and veterans. With this in mind, you can see why membership growth is so vital and important to our great organization. If your Post, Unit, or Squadron has not yet taken the time to make Buddy Checks with all of the members on your respective rosters, then NOW is the time. Consider making direct contact with all of your members on a more frequent basis to see how they are doing. This should be a sincere reach out, in order to see how they are doing or if they may need any type of assistance. “The American Legion knows from 100 years of experience that it’s veteran-to-veteran contact that can make the difference for someone in a crisis situation,” says James W. “Bill” Oxford, national commander of The American Legion. We should all be on a mission of sharing our success stories with everyone within our communities, and make them feel like they too want to be a part of this organization as well.

Department Commander Dennis and Sr. Vice Commander Jeff, each have very strong messages, so I will not duplicate their remarks. I just want all of you to know that the Membership, Leadership, and Learning Commission is working very hard as a family, to deliver fantastic training resources and membership ideas for everyone to take participate in and utilize. If you have any type of events happening within your Posts home or the community and need materials, displays, and/or even a pop up canopy, please contact either Department headquarters or myself, and I will get the items to you in a timely manner. Hope you all stay safe, remain vigilant and strong.

**IMPORTANT LIQUOR PERMIT UPDATE**

- **Renewals of Club Permits Extended.** The Department of Consumer Protection shall extend all café liquor permits due to expire on or before February 8, 2021, that were club permits, non-profit club permits, or golf country club permits prior to the enactment of Public Act 19-24, such that they shall now expire on February 9, 2021.
- **Refund of Certain Renewal Fees.** The Department of Consumer Protection shall refund any permit renewal fee paid for a renewal effective between July 1, 2020 and February 8, 2021 by any café liquor permittee that was a club permittee, a non-profit club permittee, or golf country club permittee prior to the July 1, 2020 effective date of Public Act 19-24.
- While this does fix the problem, it does give the legislature time to act on this during a normal session which will more than likely be in February 2021.

*If you have questions, please contact our office to make sure you are getting the correct information!!*

**IMPORTANT CORONA VIRUS UPDATE**

The governor has announced that Phase III will take effect starting October 8, 2020. What does this mean to our Posts moving forward? For some Posts it will not change anything, but for others it may make the difference in opening your doors or staying closed to the public. I have included the Phase III guidelines in this bulletin and put them on our website in the “Blog” tab.

**Post Officer Forms**

Please ensure that you send in your Post election forms in a timely manner as these along with the Commander/Adjutant form are still required regardless if you are keeping the same officers for the upcoming year. We use these to update our Post contact information on the Department Website.

**Post Data Forms**

We still have several Posts that have not turned in their Post Data forms, these are important to both the Department and National as the information is used to set your Post dues, change contact information and update any other changes that you submit.

**New Email & Address for Department Headquarters**

Effective immediately please use the following email addresses for the Headquarters Office.

Mary – Admin@ctlegion.org
Sue – Membership@ctlegion.org
Adjutant – Ctadj@ctlegion.org

*Please copy and share all Bulletin information as widely as possible!*
Also, please start using our new address for sending correspondence, if you don’t it will probably be returned and delay any business you are trying to conduct.

269 Main Street
Cromwell, CT 06416

**Mid-Winter Conference**

It’s Official, due to safety concerns of all our Veteran, Auxiliary and Son’s of The American Legion members we felt that it was our duty to put safety first and cancel our Mid-Winter Conference. We are currently working on alternative training sessions and working with District Commanders to set up award presentations throughout the State.

**High School Oratorical Contest**

Right now, is when you should be working on your local High School Oratorical Contest. We are still planning on having our Post, District and Department contests. Please reach out to your schools and start looking for those kids who might want to get involved. If you’re worried about a place to hold your contest if your Post will not suffice, then talk to your schools and see if you can utilize their facilities, you can also reach out to another local Post that might be willing to let you use their facilities. Check with your District Commanders, they may be able to assist you. Each contestant is expected to go online and obtain the information needed (http://www.legion.org/oratorical). The Registration/Certification form is available on the Department web site and is now fillable as well as a page with the Assigned Topics and links to the National information. I have included ‘hard’ copies of both in this Bulletin. **Post contests need to be completed by January 31, 2121, District Contests need to be completed by February 21, 2121 and The Department contest will be March 6, 2021, place TBD.**

Please remember to call or send an email to keep Department informed as to the status of our Legion family members.

Please copy and share all Bulletin information as widely as possible!

POST GRANT (Application–Page 3): The Mission Blue Post Assistance Program (PAP) grant is intended to assist posts whose revenue has been negatively impacted from the effects of the COVID-19 health crisis within the community, as well as any government-mandated restrictions. The funds distributed from this grant are to be exclusively used to meet financial responsibilities associated with maintaining post facilities and community presence. Grants are only approved to cover costs and fees associated with mortgage payments, rent, insurance premiums, and/or utilities. Recipient posts are prohibited from using funds to maintain or cover a loss of income from any registered post business (including but not limited to post bars, cantinas, restaurants, etc.) paying post employees, building upgrades or repairs, taxes, fines/fees/penalties, or funding post activities and programs. Posts who meet all the required criteria may receive up to $1,000.00 from the Mission Blue PAP fund. Department commanders/adjutants are encouraged to complete a Mission Blue PAP grant application on behalf of the post.

QUALIFYING CRITERIA: American Legion posts who meet all qualifying criteria for the Mission Blue PAP Grant are eligible to receive up to $1,000.00. Department commanders/adjutants must certify the applicant post meets the following criteria:

- Must have a consolidated post report on file.
- Must have filed an IRS 990 within the prescribed due date.
- Must have filed all other required forms and reports as prescribed by the department.
- Must have actively participated in one or more American Legion program(s) within the last 18 months.
- Must have a financial need.
- Must provide a certificate of insurance for all liability coverage naming The American Legion doing business as (dba) American Legion National Headquarters and the post’s department as an additional insured. (Submit declaration page showing coverage)
- Must provide documentation indicating that the post is properly incorporated.

REQUIRED APPLICATION INFORMATION (Application–Page 3): Department leadership must verify that applicant posts meet all the qualifying criteria prior to submission of the grant application. Posts and departments do not need to submit any bills or receipts along with grant applications. The application must be filled out completely and accurately to prevent delay in processing. Grant requests may be submitted in fillable PDF format and sent via email to IA@legion.org. Any questions regarding this grant should be directed to the Internal Affairs & Membership Division.

APPROVAL SIGNATURE OF GRANT APPLICATIONS: Upon review, if additional information is needed, the department will be contacted. If the application is properly completed and all qualifying criteria and requirements are met, the Internal Affairs & Membership Division will endorse the application and forward a request for funds to the Finance Division. After review and approval by the National Adjutant, a check will be issued and forwarded to the department headquarters to disburse to the applicant post along with a grant fulfillment letter which will also include reporting instructions.

If any of the above steps have not been taken, the application may be returned to the department headquarters for amendment or further clarification. Applications not approved will be returned to the department headquarters with reasons for disapproval who will then notify the applicant post.

REPORTING REQUIREMENTS: Posts are required to submit a true and accurate report outlining how the grant funds were used (mortgage, rent, insurance premiums, and/or utilities) within six months of the receipt of funds and no later than February 28, 2022. Information regarding the report format and submission will be included within the grant fulfillment letter. This report should be reviewed by department headquarters prior to forwarding it to the Internal Affairs & Membership Division at the national headquarters.
ADDITIONAL INSTRUCTIONS

1. This form contains two sections: a post information section and a department verification section. Both sections must be completed in full. Departments will need to review the instructions and information within this document with the applicant post prior to completing the grant application.

4. Ensure all sections of the application are complete and the appropriate signatures are obtained.

5. Applications must be submitted national headquarters by the department headquarters for approval. All applications sent directly to national headquarters by any other means will be returned to the appropriate department headquarters without review or action.

Mission Blue PAP Form Revised October 2020
Assigned Topics for 2021 Oratorical Contest

Article I, Section 7

All Bills for raising Revenue shall originate in the House of Representatives; but the Senate may propose or concur with Amendments as on other Bills.

Every Bill which shall have passed the House of Representatives and the Senate, shall, before it become a Law, be presented to the President of the United States.[2] If he approve he shall sign it, but if not he shall return it, with his Objections to that House in which it shall have originated, who shall enter the Objections at large on their Journal, and proceed to reconsider it. If after such Reconsideration two thirds of that House shall agree to pass the Bill, it shall be sent, together with the Objections, to the other House, by which it shall likewise be reconsidered, and if approved by two thirds of that House, it shall become a Law. But in all such Cases the Votes of both Houses shall be determined by yeas and Nays, and the Names of the Persons voting for and against the Bill shall be entered on the Journal of each House respectively. If any Bill shall not be returned by the President within ten Days (Sundays excepted) after it shall have been presented to him, the Same shall be a Law, in like Manner as if he had signed it, unless the Congress by their Adjournment prevent its Return, in which Case it shall not be a Law.

Every Order, Resolution, or Vote to which the Concurrence of the Senate and House of Representatives may be necessary (except on a question of Adjournment) shall be presented to the President of the United States; and before the Same shall take Effect, shall be approved by him, or being disapproved by him, shall be repassed by two thirds of the Senate and House of Representatives, according to the Rules and Limitations prescribed in the Case of a Bill.

Article II, Section 3

He shall from time to time give to the Congress Information of the State of the Union, and recommend to their Consideration such Measures as he shall judge necessary and expedient; he may, on extraordinary Occasions, convene both Houses, or either of them, and in Case of Disagreement between them, with Respect to the Time of Adjournment, he may adjourn them to such Time as he shall think proper; he shall receive Ambassadors and other public Ministers; he shall take Care that the Laws be faithfully executed, and shall Commission all the Officers of the United States.

Article III, Section 1

The judicial Power of the United States shall be vested in one supreme Court, and in such inferior Courts as the Congress may from time to time ordain and establish. The Judges, both of the supreme and inferior Courts, shall hold their Offices during good Behaviour, and shall, at stated Times, receive for their Services a Compensation, which shall not be diminished during their Continuance in Office.
Amendment XXII, Section 1

No person shall be elected to the office of the President more than twice, and no person who has held the office of President, or acted as President, for more than two years of a term to which some other person was elected President shall be elected to the office of the President more than once. But this Article shall not apply to any person holding the office of President when this Article was proposed by the Congress, and shall not prevent any person who may be holding the office of President, or acting as President, during the term within which this Article becomes operative from holding the office of President or acting as President during the remainder of such term.

Form OR1
2020 has been a difficult year not only for Legionnaires but for our posts as well. As Jr. Vice Commander at Tanguay-Magill Post 80 in Enfield I try to come up with different things to do and while COVID has kept me confined, it has allowed me the time to work on an idea I have had for Legionaries and our posts. That of starting our own Legion Travel Club.

The possibilities are endless. There is a special comradery that exists between legion members which can make traveling together a truly memorable experience.

After we retired, my wife Ann Marie and I started our own travel agency born out of our love to travel, offering our services to friends and family. We enjoy planning and designing our trips and are currently designing our own “Private Party Custom Designed Group Tours for Legion Members, Family and Friends”.

For each Legion member, family member or friend that comes on our tours their post will receive a per person donation. In addition, repeat travelers will also earn per person donations to the original post we have on record.

In Scotland and England, we do our own tours thereby offering our tours for less than what the travel companies charge. All our tours are private party, and some are for small groups of 22 people. For Europe and Ireland, we use a few tour companies we have grown to trust to get the best rates and all cost savings go back to everyone on the trip. Seeing and doing more for less is our goal.

If you are interested in any of these upcoming 2022 tours let me know and we will send you the details. We are in the planning stages right now waiting to see what happens with COVID and the lifting of travel restriction.

**ENCHANTING ITALY:** Our private party custom designed 14-day 12-night Italian adventure. Availability limited to 40 people. May 7 to May 20, 2022 We currently have 22 interested.

**SCOTLAND AND THE HIGHLANDS ADVENTURE:** Our private party custom designed 11-day 9-night small Group tour of Scotland and the Highlands. This is a small group private party tour and limited to 22 people. Date not set but looking at the beginning of September 2022.

**GLASGOW AND EDINBURGH SCOTLAND EXPERIENCE:** Our private party custom designed 10-day 8-night tour of Glasgow and Edinburgh Scotland is limited to 40 people. Every day a different experience. Looking at Mid-September 2022.

For more information including tentative itineraries and details of these trips contact Jim Dooley at: jpdooley825@gmail.com. Be sure to include your name and phone number.

Butch:

As I mentioned in my voicemail message, I am a graphic artist in Vernon. I'm writing to introduce you to a program I originated called Hands Touching Hearts. It's a global outreach effort that gives Americans of all ages the opportunity to create handcrafted keepsakes for United States military personnel. The thank-you gifts are distributed free of charge to active-duty service members, reservists and veterans. Since the inception of Hands Touching Hearts in 2017, participants have numbered in the thousands and ranged in age from 2 to 102!

The first gift I designed for Hands Touching Hearts is a medal of appreciation for active-duty service members. While presenting medal-decorating sessions in high-traffic locations, I've met many veterans and I've been wanting to create a gift for them, too. They definitely deserve it!

I just completed a special banner for veterans and I want our World War II veterans to be the first to receive the gifts. To acquaint you with both Hands Touching Hearts and the banner, I've attached a program synopsis and product photos. You may also visit my website, www.Anns.work. Click on "Salute Our Troops" and then on Item # ANN-2001. Once you learn about the program, you'll see why I have a special place in my heart for the Greatest Generation.

I'm wondering if it would be possible to distribute the banners to WWII veterans through the American Legion Department of Connecticut. I would supply decorated banners to you at no charge.

I'll plan to follow up with you by phone in a few days. If you have questions in the meantime, please feel free to reply to this email or give me a call at 860-871-6597.

I look forward to speaking with you.

★ We Need YOU! ★

(Organization) and Hands Touching Hearts are teaming up to honor our heroes. Tell* us how many World War II veterans you know and we'll surprise them with a world of thanks and a small token of appreciation!

Salute Our Troops

Hands Touching Hearts is a global outreach effort originated by Ann M. Cosgrove, a graphic artist in Vernon, Connecticut. The program gives Americans of all ages the opportunity to create handcrafted keepsakes for United States military personnel. The thank-you gifts are distributed free of charge to active-duty service members, reservists and veterans. Since the inception of Hands Touching Hearts in 2017, participants have numbered in the thousands and ranged in age from 2 to 102! To learn more, visit www.Anns.work and click on “Salute Our Troops.”

*To submit the number of World War II veterans you’d like to honor, contact (name) at (phone or email) no later than (date). One gift per veteran, please. (Organization) will not share your information with anyone. Gift requests will be granted in the order in which they are received, while supplies last. When your gifts are available, you will be contacted by phone and instructed to pick them up at (organization name and address). The gifts will be held for you for two weeks. After that time, (organization) will assume that you are no longer interested and will distribute the gifts to the next veterans on the waiting list.
**Hands Touching Hearts - Rationale**

*Hands Touching Hearts* is rooted in two core convictions:
1. Americans would welcome the opportunity to thank the men and women of the U.S. armed forces.
2. Active-duty service members, reservists and veterans would appreciate receiving messages from their fellow citizens.

**Hands Touching Hearts - Banner**

*Hands Touching Hearts* honors and affirms service members by tapping the gratitude and creativity of their fellow Americans. Like all program keepsakes, the handcrafted banner shown at right is designed to be transformed by the work of the participant’s hands.

The canvas banner measures 8 1/2" tall by 11" wide. White satin ribbon and clear, circular beads are used to suspend the banner from a wooden crosspiece that is initially left unembellished. Later, people who participate in the program decorate the crosspieces using art supplies. A decorator donation of $5 per banner helps cover costs.

People of all ages are invited to participate in *Hands Touching Hearts* in places where they routinely congregate, including:

- Schools
- Senior centers
- Retail stores
- Meeting sites
- Restaurants
- Libraries
- Health clubs
- Special-event venues

Decorated banners and copies of the accompaniment letter shown on page 2 of this document are sent to veterans across the country.

**Hands Touching Hearts - Partners**

It takes millions of selfless men and women to protect the United States of America and preserve the freedoms we all enjoy. It takes many grateful hands to touch their hearts. To partner with *Hands Touching Hearts*, contact:

Dear Veteran:

On behalf of many grateful Americans, I am writing to thank you for serving our country and safeguarding our freedom. We wish that we could express our appreciation in person, but because we’re not right beside you, we have to use a different approach to let you know how we feel.

Enclosed is a banner that was made especially for you through a program I originated called Hands Touching Hearts. It’s a global outreach effort that gives Americans of all ages the opportunity to create handcrafted keepsakes for United States military personnel. The thank-you gifts are distributed to active-duty service members, reservists and veterans.

I’m a graphic artist in Rockville, Connecticut. The name of my business is Ann-spirations! I designed and handcraft the banners.

Your banner carries the Hands Touching Hearts logo, which features tracings of the hands of two Americans of the World War II generation. The hand on the left is that of my father William J. Cosgrove, who served in the Army Air Forces and flew 34 missions over Europe as a radio operator/gunner on a B-17. The hand on the right side of the logo is that of my mother Anna Cosgrove, who worked in the aircraft industry on the home front. My mother and father passed away in 2013 and 2017, respectively. Throughout their lives, they reached out to family, friends, neighbors, strangers. They showed me that a compassionate heart manifests itself through the work of loving hands. And they are the inspiration for this initiative.

I invite people to participate in Hands Touching Hearts by presenting the program in many busy places, including schools, libraries, senior centers, health clubs, retail stores, restaurants and sports venues. In all cases, participants are complete strangers. They get involved not because of familiarity with me, but because of admiration for you. Since the inception of Hands Touching Hearts in 2017, participants have numbered in the thousands and ranged in age from 2 to 102!

One of those amazing Americans decorated the wooden crosspiece from which your banner is suspended. Other program participants composed the sentiments on the banner itself. Their words are meant for everyone who has ever served. Their words are meant for YOU!

All of us associated with Hands Touching Hearts understand and appreciate the sacrifices you have made in order to defend our country. If we were beside you right now, we’d use our hands to give you a firm handshake, a high five, a round of applause, a pat on the back and a great, big hug! Whenever you need to be reminded that you have the support of your fellow Americans, we hope you’ll glance at your banner and let the work of our loving hands touch your heart.

Sincerely,

Ann M. Cosgrove
